Township Trustee Rose Stertz presented owners Tracey and John Burgoon with a Certificate of Recognition to mark the special occasion and welcome them to the community.

Tracey and John opened their first dance studio in Sayler Park in 2011. They have been married for over 30 years and live in Delhi. Tracey has an extensive background teaching dance for more than 35 years and John is the manager of operations and props. Their staff are certified in dance and choreography and have years of experience teaching. In addition to teaching at the studio, many of their instructors are successful career dancers and choreographers who also sit on dance boards and continue their careers in the performing arts, both on stage and television.

They offer classes in ballet, tap, hip-hop, musical theater, jazz and ballroom for all ages at every experience level, including free classes for dancers in wheelchairs and on the spectrum. They also teach master classes with Broadway Cincinnati tour dancers and professionals from around the country.

Revere is well known for their competitive dance teams having won numerous national championships. This year, they were also recognized locally by BroadwayWorld Cincinnati as *Cincinnati's Dance Studio of the Decade*, as well as their daughter and teacher, Maddie Jones, who was named *Dancer of the Decade*; and have been featured nationally by People.com, ellentube, USA Today and Amy Poehler's SMART Girls.
