Jack Cameron, Administrator

September 1, 2022

On Wednesday, August 31, 2022, the Delhi Township Board of Trustees voted unanimously to hire Charles Michael Lemon to serve as Interim Administrator following the impending departure of Jack Cameron on September 18.

Jack has accepted an opportunity to lead another community in our region, and we are confident he will be a difference-maker in his new role just as he has been for Delhi. Jack has been a great asset and leader for us as we advanced significant initiatives and made unprecedented investments in our community. We thank him for his service.

Mike will officially join the Delhi team on September 19. He has held leadership roles in local government for more than 35 years, including as a Township Administrator for almost 20 years. For years, he deftly managed Township day-to-day operations and has overseen large-scale projects from conception through implementation.

Mike is excited about the opportunity to serve in this role and work alongside us as we undergo the executive search and hiring of Delhi's next Township Administrator. We anticipate the recruitment and hiring process to take anywhere from two to five months.

Delhi Township's future has never looked brighter, and we anticipate that the strides we've made in recent years to advance important initiatives, such as Delhi Towne Square, will appeal to qualified candidates seeking to lead our vibrant community through several exciting developments.
