Delhi Business Spotlight: Athletico Physical Therapy

Cincinnati, OH – February 27, 2023 – Athletico Physical Therapy has opened a new location in the Delhi Shopping Center on Delhi Pike, adjacent to Huntington Bank. Township elected officials and staff gathered with members of the business community to commemorate the opening of the new clinic.

Attending the ribbon cutting (left to right): Zoning Administrator Tony Roach, Fiscal Officer Jim Luebbe, Trustee Rose Stertz, Patient Services Specialist Taylor Krummen, Trustee Mike Davis, Clinic Manager Brandon Polking, Trustee Cheryl Sieve and Township Administrator Skylor Miller.

Brandon Polking, PT, DPT, ATC and Clinic Manager Athletico – Delhi, grew up on the West Side of Cincinnati and completed his graduate and undergraduate studies at Mount St. Joseph University in 2017. Brandon’s passion for helping people recover from injuries began when he experienced PT firsthand following injuries that he sustained throughout his sports career playing baseball with MSJ Lion’s and St. Xavier. He is delighted to return to Delhi Township to give back to the community with recovery through physical therapy.

The public is invited to meet staff, ask questions and enjoy free food at an Open House scheduled on Saturday, March 4 from 11am – 1pm.

Offering flexible hours and a free assessment that does not require a referral or prescription to start treatment, they strive to see new patients within 24-48 hours. All major insurance plans are accepted.

We are very excited to see Mr. Polking accomplish his business goals. Contact the clinic to schedule your free assessment:
