Founded in 1909, CincySmiles' mission is to ensure that low income residents have access to oral health education, disease prevention, and treatment services. In 2018, the organization served 12,384 individuals through programs that are offered in communities throughout Greater Cincinnati and Northern Kentucky.

The new location on Rapid Run Road was chosen because of its convenience to existing patients, a need for services in the area, and close proximity to public transportation. Patients receive comprehensive treatment services and dental appliances (dentures) that are manufactured on-site.

"CincySmiles Foundation is a wonderful addition to our community as we work to improve access to medical and dental services for our residents," said Trustee Sieve. "CincySmiles offers oral health care treatment and service options to all ages including children and veterans with a focus on preventative dental care."

Their new office located at 5310 Rapid Run Road officially opened on May 6<sup>th</sup>. Administrative Office hours are Monday through Friday, 9:00 a.m. – 5:00 p.m. Dental Center hours are Monday through Thursday, 7:30 a.m. – 4:30 p.m.; and Friday, 8:00 a.m. – 12:30 p.m. For more information or to set up an appointment please call 513-621-0248, email [csf@cincysmiles.org](mailto:csf@cincysmiles.org) or visit [www.cincysmiles.org](http://www.cincysmiles.org).
