### Delhi Township Hosts Ribbon Cutting for Western Hills Retirement Village

Delhi Township hosted a ribbon cutting for Western Hills Retirement Village at their open house on Wednesday, June 26<sup>th</sup> to inaugurate the newly renovated facility at 6210 Cleves Warsaw Pike. Following the ribbon cutting, the elected officials presented the executive officers of the retirement community with a certificate to recognize them on the completion of their multi-million-dollar renovation project.

L to R: Rep. of Congressman Steve Chabot's office, Richard Friedmann, CFO WHRV; Barry Kohn, President and Chase Kohn, COO of WHRV; Trustees Cheryl Sieve, Rose Stertz and Mike Davis; Fiscal Officer Jim Luebbe.

One of the largest enhancements of the renovation project includes the addition of a 700 square foot activity area to the Alzheimer's unit. In addition, semi-private rooms were converted to private rooms, which are in high demand, and bathrooms received enhancements in the skilled nursing area; and the independent living apartments received new kitchenettes and bathroom upgrades.

"Delhi is fortunate to have Western Hills Retirement Village here to care for our family members and friends for 33 years. It is exciting to now celebrate their beautiful renovations and reinvestment in our community," said Trustee Cheryl Sieve.
